

Quality Policy

MAP Group (uk) is committed to ensuring that our services meet or exceed the requirements of our clients and prospective clients.

We have implemented this Quality Management System to ensure that all our employees work to satisfy the requirements of ISO 9001:2008 and we have set measurable objectives to monitor this.

The Quality Management System is maintained by a schedule of Internal Audits carried out by competent Auditors, with the aim of revealing improvement opportunities that enhance our efficiency and effectiveness.

All system procedures and practices are regularly reviewed by top management through the management review process to ensure effectiveness, capability and the improvements required to meet the changing needs of our clients.
