Environment Policy Statement

MAP Group (uk) is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees, whilst minimising our potential impact on the environment. The scope of the Environmental Management System is detailed in the IMS Scope document on ISOportal.

MAP Group (uk) operate in compliance with ISO14001 and all relevant environmental legislation and strive to use pollution prevention and environmental best practices in all we do.

It is our Policy to ensure that:

- ❖ Integrate the consideration of environmental concerns and impacts into all of our decision making and activities;
- ❖ Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner;
- ❖ Train, educate and inform our employees about environmental issues that may affect their work;
- ❖ Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furbished products and materials where these alternatives are available, economical and suitable;
- ❖ Promote efficient use of materials and resources throughout our facility including water, electricity, raw materials and other resources, particularly those that are non-renewable;
- ❖ Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect human health and the environment when such materials must be used, stored and disposed of;
- ❖ Where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency procedures;
- ❖ Communicate our environmental commitment to clients, customers and the public and encourage them to support it;
- ❖ Strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities;
- ❖ The policy is reviewed for continued suitability as part of the Management Review Policy;
- ❖ This policy is available relevant to interested parties both internal and external upon request; it is available to all staff via ISOportal.

The requirements of this standard are one part of our ISO Management System (**IMS**).
